Subject: In re Blue Grand Jury

CAUTION - EXTERNAL:

Dear Judge Schiltz: I am writing as a member of the media covering this matter for the site Power Line and not as an attorney (retired from practice, but with an active law license). Since your original order in this matter, all proceedings and filings in the case have been under seal. I understand the interests that are to be protected by this arrangement, but there is of course a public interest in the proceedings as well. I write to ask whether the parties' papers might be unsealed in redacted form consistent with the interests to be protected or whether you yourself might summarize the status of this matter in a public memorandum.

Thank you as always for your courtesies and consideration.
